Patients Can't Afford Obamacare, Drop Coverage

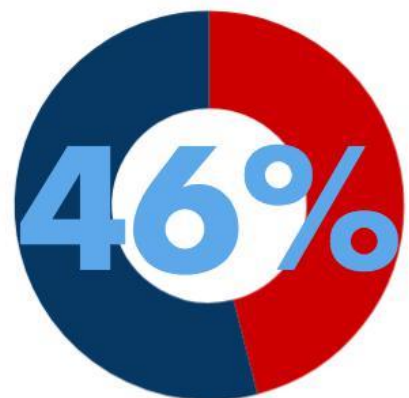

CBO projected that 21 million would sign up for Obamacare exchange plans in 2016, but only 9.1 million were covered at the end of the year.

CBO projected that 24 million would sign up for Obamacare exchange plans in 2017, but only 10.3 million have effectuated (paid-for) a plan as of the end of the first quarter.

3.6 MILLION

people selected a plan on the Obamacare Exchange during 2016, but had dropped their coverage by the end of the year.

of those who dropped coverage attributed the decision to cost.
